

Rescue Group Donation Program

Dear Pet Lover,

Congratulations on the adoption of your new furry family member!

Help support your local rescue group while keeping the dooty outside. The Plexidor™ Performance pet door is the answer to free yourself from doorman duty! Your pet is free to come and go, and you can forget about those messy litter trays, ruined carpets, scratched doors, and night-time trips to let your pet out. The Plexidor™ line has a variety of sizes and colors that's right for you and your pet.

Contact your local Plexidor™ pet door dealer to receive \$10 off the purchase of Plexidor™ pet door, and Pet Doors USA, Inc. will also donate \$10 to your local rescue group! There are two certificates below, one is for you and another is for a friend.

Rescue Groups, please copy and stuff in your adoption bags. Thank you.
